On the following page, please complete the chart to indicate which days you anticipate that your child will be attending the camp, and if he/she will be using Before/Aftercare. This chart will assist us with appropriately staffing our camp. You can make changes to this chart after submission up until Friday, June 17th. After this deadline, you will be billed for all indicated dates of attendance.

POSSIBLE WEEK 7

We are currently gathering information on whether families would be interested in a possible Week 7 of the camp, running 8/8-8/12. If you would send your children to camp that week (if offered), please check the box below.

_____ **YES, if camp were offered the week of August 8th through August 12th, I would send my children to camp that week.**

As of now, camp will end on Friday, August 5th. If there is enough interest in a Week 7, we will send out info once all forms are received.

AUGUST BABYSITTERS

We understand that families will have a need for childcare during the weeks of August when camp is not in session. If you are interested in utilizing one of our aftercare staff members as a babysitter during these weeks, please check the box below and contact information will be shared with you.

_____ **YES, I am interested in receiving the contact information of camp staff who may be available as babysitters during August when camp is not in session. I understand that the school will not be involved in this arrangement, and that this will be a private arrangement between myself and the babysitter. While fulfilling this role, the babysitter is not acting as an employee of Holy Spirit School.**
